

ABOUT US

The Irbid National University Charge

With its home campus in Irbid National University comprises an action-oriented global network of faculty, staff, students and alumni who forge powerful bonds with each other and with their communities around the globe. Founded in 1994, INU is a private university Our students studying at campus locations in South Amman, in a robust learning environment online. The university is committed to ensuring high-quality learning experiences that transform students for global citizenship and individual excellence.

Irbid National University is driven by world-class research and profound commitment to delivering educational value for the benefit of learners and society as a whole. Irbid National University will offer independent advice to others and expertise to other countries in how to build more secure and resilient national infrastructures and become a focal point for world class research learning and international cooperative on this vital issue. INU offers market-leading courses and supplementary materials for learners of English in all age groups. We continue to lead the way in the development of new materials for teachers and students across a range of platforms, including E-learning Prezitoool, online, interactive whiteboard and mobile apps.

Our Mission

Irbid National University, a worldwide institution, ensures high quality learning experiences that transform students for global citizenship and individual excellence.

Collective Vision

Our vision is to be a premier based international university setting a distinct standard for global education.

Core Values

Students

By sustaining a personalized approach to education through small classes, close relationships with faculty and staff, and attention to student life.

Learning

By developing educational programs that join theory and practice, provide an international perspective, encourage creativity and scholarship, and foster a lifelong desire to learn and actively serve communities and the world.

Diversity and Inclusion

By creating an environment accessible to individuals of diverse cultures, ages, and socioeconomic backgrounds and instilling in students a respect for diversity and an understanding of their own and others values.

Global Citizenship

By educating a diverse population locally, nationally, and internationally, acting responsibly toward the environment to foster a sustainable future, and strengthening the communities we serve.
